MY PROFILE

Full Stack Developer | Tech Enthusiast | Innovative Problem Solver

Accomplished Full Stack Developer with a robust history of working on diverse and cutting-edge software projects. Skilled in a broad range of technologies including React, Next.js, MongoDB, and Cloudinary, with a passion for developing scalable web applications and dynamic user experiences. Highly adept at collaborative projects, emphasizing open communication to ensure project success and client satisfaction. Known for versatility in problem-solving and a commitment to delivering high-quality solutions within time-sensitive environments.

EDUCATION

High School 2007
San José
2002 - 2007

Platzi – 2023
Asynchronous Programming Course with JavaScript

Platzi – 2023
Git and GitHub

Platzi – 2023
React.js Basics

Platzi – 2023
Responsive Design | Mobile-First

Traversy Media - 2023
Modern JavaScript From The Beginning 2.0

Systems Engineering
UNEFA (Unfinished)
2008-2013

Platzi – 2023
Basic Javascript

Platzi – 2023
CSS Grid Layout

Platzi – 2023
HTML/CSS Web Design

Traversy Media - 2023
Bootstrap 5 From Scratch

Traversy Media - 2023
Tailwind CSS From Scratch

TECHNICAL PROFICIENCIES

Languages: JavaScript (ES6+), TypeScript, SQL, PHP, HTML5, CSS3.
Frameworks/Libraries: React, Next.js, Tailwind CSS, Bootstrap, Redux, GSAP, Three.js.
Databases: MongoDB, PostgreSQL, Firebase, Neon, Clerk, Prisma.

www.isaacorraiz.com

Tools & Platforms: GitHub, Vercel, Heroku, Render, Netlify, Cloudinary, Swiper, DaisyUI
Concepts: Responsive Design, RESTful API Integration, State Management, 3D Web Graphics, Real-Time Web Applications

📖 SELECT PROJECTS ———————

Zibibbo Menu: Developed a TikTok-style restaurant menu app focusing on superior user experience and interface design.
Happiness Park: Engineered a comprehensive ticketing system for a theme park, enhancing visitor engagement and backend management.
Supply Tech Store: Executed a full-stack e-commerce solution with integrated payment gateways, showcasing proficiency in end-to-end application development.
Animated Apple iPhone 3D Website: Recreated Apple's iPhone website with advanced GSAP animations and Three.js for immersive user interactions.

📖 PROFESSIONAL EXPERIENCE ———————

Collaborative Projects: Prioritized client collaboration, ensuring seamless communication and project alignment with client goals.
Time Zone Flexibility: Managed communications across various time zones, ensuring continuous progress and adherence to project timelines.
SaaS Development: Currently building a SaaS platform for a medical startup, focusing on innovative solutions to healthcare management.

📖 TESTIMONIALS ———————

"Isaac is a talented developer who is always willing to go the extra mile..." - Benjamín Álvarez, CEO of Supply Tech Store
"I strongly recommend Isaac for any project. He is very experienced and has a great eye for detail..." - Aneusbell Brito, CEO of Happiness Park
